15	Plaintiff has filed a document with the Court captioned "Plaintiff's Request Regarding Oral				
16	Deposition." Based on the Court's review of the document, it does not appear that Plaintiff at this				
17	time is requesting any relief from the Court with respect to her deposition which was noticed by				
18	Defendant. To the extent Plaintiff is asking for any relief, that request is denied without	prejudice			
19	because it does not appear that Plaintiff has met and conferred with Defendant about the issues				
20	raised in her filing. The Court therefore orders the parties to meet and confer about the i	raised in her filing. The Court therefore orders the parties to meet and confer about the issues raised			
21	in Plaintiff's filing. If the issues are not resolved during the meet and confer, then the pa	rties shall			
22	file a joint letter about any remaining disputes no later than December 1, 2009.
